" HOSPITAL INSURANCE ACT "

HIS HONOUR the Administrator in Council has been pleased to order that, pursuant to the " Hospital Insurance Act," being chapter 151 of the " Revised Statutes of British Columbia, 1948," the " Hospital Insurance Act " Regulations, made by Order in Council No. 688, approved April 1st, 1954, as amended, be further amended in terms of the following draft regulations:—

1. Regulation 1 is amended by adding the following as regulation 1-5:—

" 1-5. 'Serviceman' means a person who proves to the satisfaction of the Commissioner that he is employed full time as a member of the Canadian Navy, Army, or Air Force, and who is determined by the Commissioner to have one or more dependents."

2. Regulation 2-1 is further amended by adding the following as clause (e):—

"(e) He is the dependent of a serviceman posted to British Columbia and has taken up residence in the Province, and that the provisions of Regulation 8 have been complied with."

3. Regulation 4-1 is amended by adding the following: "No person who qualifies as a resident of the Province under clause (e) of Regulation 2-1 shall be entitled to benefits under this regulation."

4. The " Hospital Insurance Act " Regulations are further amended by adding the following regulations:—

Regulation 8.—Servicemen's Dependents

8-1. Except as provided herein, every serviceman serving in British Columbia who is desirous of qualifying his dependents as residents of the Province under Regulation 2-1 (e) shall deliver to the Commissioner an application for registration in the form prescribed by him during the twenty-one-day period immediately following the date of the serviceman's most recent arrival in British Columbia on a service posting for other than purposes of discharge, short-term inspectional, instructional, or other special duties.

8-2. Where he is satisfied that a serviceman is unable to comply with the registration provisions of these regulations, the Commissioner may accept an application for registration completed by the

spouse or dependent child of the serviceman, provided the said application is completed during the applicable period specified herein.

8-3. The Commissioner shall not register an application for registration made under these regulations unless it has been certified by an officer or official of the armed forces in the manner prescribed by the Commissioner, and unless the registration fee specified under Regulation 8-4 has been paid to the Commissioner.

8-4. The registration fee payable under this regulation shall be \$10 in respect of the spouse, together with \$2.50 in respect of each dependent child under 21 years of age, but in no case shall the total registration fee paid in respect of one serviceman's dependents exceed \$20.

8-5. Notwithstanding any other provision of these regulations, no person registered under Regulation 8 shall become eligible for benefits under the Act in British Columbia until the day fixed by the Commissioner, which shall not be earlier than May 15th, 1956, nor the day on which the application for registration was certified under Regulation 8-3.

8-6. Where a serviceman's dependents arrive in British Columbia after the expiration of the period prescribed under Regulation 8-1, and he has not registered them as provided thereunder, the serviceman may, within six months of his arrival in British Columbia, deliver to the Commissioner an application for registration and pay one-half of the prescribed fee, and upon being registered the said dependents shall be entitled to benefits six months after the day on which the serviceman most recently arrived in British Columbia on a service posting or on the day on which his dependents take up residence in the Province, whichever is later.

8-7. A serviceman who, while serving in British Columbia, marries a person who is not a resident of the Province may make application for registration and pay the registration fee as prescribed herein within twenty-one days of the date of the marriage.

8-8. No dependent of a serviceman other than those listed on the application for registration which has been registered by the Commissioner shall be entitled to benefits under the Act, except an infant born after the day of registration.

8-9. Notwithstanding the fact that the period allowed for registration under Regulation 8-1 has expired, a serviceman who is serving in British Columbia on May 1st, 1956, and is otherwise qualified under Regulation 8-1, may, on or before May 21st, 1956, deliver to the Commissioner an application for registration and pay the registration fee as prescribed herein; provided that where a serviceman has served continuously in British Columbia during the six months immediately preceding May 1st, 1956, he shall be required to pay only one-half of the fee prescribed under Regulation 8-4.

8-10. A serviceman who has registered his dependents under these regulations and who is discharged from the armed forces in British Columbia within one year of his arrival in the Province may, upon applying to the Commissioner and paying a registration fee of \$5 within twenty-one days of the day of his discharge, be designated as a resident of the Province under Regulation 2-1 by the Commissioner, from the day fixed by him, during the time in which the serviceman continues to live in British Columbia; provided that such a serviceman shall not be entitled to benefits in respect of any illness or condition the treatment of which is normally provided to persons discharged from the armed forces.

Regulation 9.—Refunds to Servicemen

9-1. Where the dependents of a serviceman leave British Columbia and take up residence elsewhere during the period in which they are entitled under Regulation 8 to receive benefits, the serviceman or his spouse may, within one month of the departure of the dependents from British Columbia apply to the Commissioner for a refund of a portion of the registration fee paid on behalf of the said dependents, provided none of them has received any of the benefits provided under the Act.

9-2. The Commissioner may make a refund to a serviceman in respect of the registration fee paid by him on behalf of his dependents if it is estab-

lished to the satisfaction of the Commissioner that none of the dependents lived in British Columbia on or after the date on which they were registered under these regulations. Such a refund shall be applied for in writing by the serviceman within one year of his arrival in British Columbia.

9-3. Every application for a refund shall be made in accordance with the rules prescribed by the Commissioner, who shall in each case determine whether a refund is to be made and the amount thereof, and his decision shall be final.
